Blue Cross MedicareRx (PDP)SM

Pharmacy Directory

Introduction

This booklet provides a list of Blue Cross MedicareRxSM's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Blue Cross MedicareRx's formulary.

When this pharmacy directory refers to “we,” “us,” or “our,” it means Blue Cross and Blue Shield of Oklahoma. When it refers to “plan” or “our plan,” it means Blue Cross MedicareRx.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Blue Cross MedicareRx only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of *June 2013*. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs may be less at certain pharmacies in this list, which we have marked with “**PR**”. We call these pharmacies preferred pharmacies, and they may offer lower cost-sharing than non-preferred pharmacies. You will still have access to lower drug prices at non-preferred pharmacies than out-of-network pharmacies. You may go to either of these types of networks to receive your covered prescription drugs.

This directory is for the state of Oklahoma.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact Blue Cross MedicareRx.

This information is available for free in other languages. Please call our customer service number at 1-888-285-2249. (TTY/TDD users should call 711). We are open between 8 a.m. and 8 p.m., local time, 7 days a week. If you are calling from February 15 through September 30, alternate technologies (for example, voicemail) will be used on the weekends and holidays. TTY/TDD: 711.

Esta información está disponible en otros idiomas de forma gratuita. Comuníquese a nuestro número de Servicio al cliente al 1-888-285-2249 (los usuarios de TTY/TDD deben llamar al 711). Nuestro horario es de 8 a.m. a 8 p.m., hora local, los 7 días de la semana. Si usted llama del 15 de febrero al 30 de septiembre, durante los fines de semana y feriados, se usarán tecnologías alternas (por ejemplo, correo de voz).

KEY

R = Retail. We have a nationwide network of pharmacies where you can get covered prescription drugs as a member of our plan.

PR = Preferred Retail. Preferred network of pharmacies agreeing to fill 31-day and up to 90-day prescriptions at a preferred rate.

LT = Long-term care pharmacies are pharmacies that service long-term care nursing facilities. Residents of a long-term care facility may access their prescription drugs covered under Blue Cross MedicareRx through the facility's long-term care pharmacy or another network long-term care pharmacy.

H = Home Infusion. Pharmacies that provide infused (IV) medicine in your home per doctor's order.

IN = Indian Health Service/Tribal/Urban Health Program (I/T/U) Pharmacies. Only Native Americans and Alaska Natives have access to Indian Health Service/Tribal/Urban Indian Health Program (I/T/U) Pharmacies through Blue Cross MedicareRx's pharmacy network. Those other than Native Americans and Alaskan Natives may be able to access these pharmacies under limited circumstances (e.g., emergencies).

The key is also listed at the bottom of each Pharmacy Directory page for your reference.
